

Technik Rider – Achim Kirchmair Trio

We need:

- a pa system large enough to amplify the band sufficiently and to give the entire to give the whole audience an adequate listening pleasure
- an 8/8/2 mixer with min. 2 pre/post switchable aux ways, phantom powering and a 4x par. Eq per channel
- a digital reverb Lexicon, TC, Yamaha etc.
- four compressors DBX, BSS etc.
- one stereo eq
- three monitor speakers (see plan above) with amplifiers for 2 ways
- all necessary cables and mic stands
- 2 stable music stands (if not possible please let us know)

channel assignment
