## Backline

Our musicians come with their own instruments and Amps if not agreed otherwise.

Please provide a **piano bench** for our Guitar player. Additionally, it would be great to have two risers for guitar and drums available. Please let us know if we have the possibility to mount a stage backdrop or make use of a video wall or projection system.

## Vocal Microphone

We come with our own Sennheiser ew D1 system (2.4 GHz).

Yvonne will have her own IEM system (863 - 865 MHz) on standby if needed but can plug in to a provided system as well.

On the vocal channel, we would like to have some decent compression and a gentle reverb.

Please route the FX to her monitor channel as well.
